

Community Fruit and Vegetables Growing Survey

Growing our own food has so many benefits – social, health, environmental, longer shelf life of produce, educational, recreational, and as is becoming increasingly important, cost... We are undertaking this survey to establish what need we have in Coigach, and how CCDC can help facilitate any food growing projects. The survey is for everyone who lives in Coigach – please take a few minutes to fill it in. Thank you!

Please post completed surveys into the CCDC mailbox in the Community Hall by 31st July. Alternatively, hand them to Ann Marie or Julia, or email photos of your answers to Ann Marie: annmariefb@coigachcommunity.org.uk.
